Julie A. Mathison, Recording Secretary

*** APPROVED ***

INSPECTION OF TOWN BUILDINGS

FOX HILL TOWER, HOROWITZ POOL AND LOTTIE FISK BUILDING
PERFORMED BY THE PERMANENT MUNICIPAL BUILDING COMMITTEE

AUGUST 22, 2018

RECEIVED
VERNON TOWN CLERK
18 OCT -11 AM 8:53

FOX HILL TOWER:

1. An engineering study should be done. Repairs/maintenance at this point are getting more than our in-house team can manage. "Band-aid" preservations can only last so long!
2. This majestic building is a town treasure and must be maintained to ensure that all future generations may appreciate the sacrifice of our Vernon veterans!

HOROWITZ POOL:

1. The pool and surrounding buildings have long outlasted their expected life. An engineering firm has been hired to do an inspection and make recommendations.
2. A lot of time and expense are being put into maintaining the pool and surrounding concrete patios. Water is continually leaking from the pool.

LOTTIE FISK BUILDING:

1. The emergency light in the foyer of the building is not working.
2. The bathrooms on the main floor need updating.
3. Overall, the building continues to be well maintained.
